Achievement

Last arrival in the range of online SADEV box, the SCL82-17 offers a high-performance solution with a reasonable cost for various types of use. Its small size allows it to locate in particular vehicles like the Caterham.

The results obtained in rally, rallycross and circuit, make the SCL82-17 a gearbox universally recognized for its quality and robustness.

Sadev

Performance, quality and reliability are the values on which SADEV based its reputation.

For nearly four decades, SADEV has adapted its transmissions to the innovation which take place in motorsport.

To respond effectively to the demands of our customers, every day SADEV takes great strides to reach the highest quality. In addition, highly qualified partners in a workshop production at the cutting edge of technology, provide a fundamental result.

In addition, SADEV, for the sake of proximity, has established a network of exclusive distributors, not only in Europe but also USA and South America.
